PRAYER:

Give thanks: Each day we wake up to clean air, fresh water on tap, food in the cupboard, a roof over our heads. Praise God for His faithfulness day by day.

Keep praying: While our media focusses on domestic politics the rest of the world goes on: Pray for those who have lost all in the Bahamas, the Christians suffering in Syria where conflict still goes on, the church struggling to survive in Zimbabwe where the economy has collapsed.

Keep Praying: Pray for our students off to University for the first time— a new home, new friends, new place to study, new church — that the Lord will watch over them, keep them and guide them.

Can we help?
